

**YOUNG
MAYORS**

Mackay Youth Council

2024 Nominee
Information Pack

What is the Young Mayors program?

The Young Mayors program will support people aged 11 to 17 across Mackay to run for election to a brand new Mackay Regional Council Youth Council of 12 members. Elected by their peers, together this Youth Council will nominate roles, set an agenda for their 18 month Term in Office and work with the Mackay Regional Council on specific issues.

With access to training, mentoring and money to run local projects and campaigns, the Youth Council won't just have a voice - but a platform to take action on the issues that young people in Mackay truly care about.

It's free for all young people to apply and participate in Young Mayors.

Who runs the Young Mayors program?

Young Mayors is run by the Foundation for Young Australians (FYA), in partnership with Mackay Regional Council and other councils around Australia. FYA is a national non-profit organisation that exists to back young people across the country to beat injustice and create long-lasting change for all.

Message from the Youth Council Mayor

The Mackay Youth Council was established in early 2023 to bring together a group of ambitious and diverse young people with the goal of, ultimately, creating tangible and lasting change in the Mackay community. From the entire Mackay region, there were over 20 young people that nominated for the council, united by their determination to make our town the best it possible can be for its young people. We quickly stepped into the campaigning process, running social media campaigns, and rallying our peers! Over 1400 Mackay youth voted for the councillors they wanted to see elected from their area.

From there, we utilised the results of the Mackay Regional Councils 'YOL1000' survey – 1000 conversations with Mackay's young people - to find what young people thought were the most important issues. Once we had our problems identified – lack of third spaces, mental health issues and transport – we created a priority agenda to take on these problems, meeting regularly with community members who provided us with valuable perspectives.

Being a part of the Mackay Youth Council has given me access to so many incredible opportunities, from attending the first annual National Youth Forum in Canberra to being a part Mackay's Youth Week celebrations. I have built my skills and talents in so many areas. I have also gotten to build close relationships with all my fellow councillors, and every person I have I have met along my journey. Being Mackay's first ever Young Mayor has truly been the highlight of my teen years, and it has been my greatest honour and pleasure to serve our community.

To the next Mackay Youth Council, my wish for you all is that you get as much out of this experience as you possibly can – the most for yourself and your community. You get to have a platform to share your unique perspective and experiences and make a change within Mackay – so use it!

Bridget Wright
Young Mayor

Message from the Mayor

Mackay Regional Council, in partnership with the Foundation for Young Australians, is delighted to invite young people in our region to nominate for the second term of Mackay Youth Council.

Since forming in May 2023, Mackay Youth Council has been a critical voice for young people in Mackay, ensuring that their opinions count in the decisions that impact them and the wider community.

The inaugural members established the operational foundations for the youth council, and made important contributions to the community, including representing young people in Mackay at the National Youth Forum in Canberra.

As nominations for the second term open, we look forward to seeing the Mackay Youth Council build on this important work and continue to raise awareness of the issues that are affecting young people in the region.

Mackay Youth Council is such an important voice for young people in our region.

If you want to play a central role in helping to shape the future of our region. If you believe that a voice for our youth is badly needed. If you have a passion for representing people. We want you to nominate to be a Youth Councillor.

We all want the Mackay region to be the best region in Australia to live in. Now is your chance to demonstrate that a key part of being the best region is because our youth have an elected voice.

Greg Williamson
Mayor
