

## NSW Government School Guidelines for Edconnect

The \$20 Boss program is a nationwide in-school entrepreneurship program for primary and secondary school students. Students are provided with \$20 of start-up capital to create, launch and operate a business venture over the course of a school term.

If you are a NSW government school and would like to access start-up capital for your students please select "No, I'll be self-funding the program" option in the registration form. Once you have completed your registration form please send through a request to EdConnect to invoice the Foundation for Young Australians (PO Box 239 Melbourne VIC 3001) for the start-up capital amount.

The details of the invoices are as follows:
