

# Innovation Nation Melbourne 2020

Innovation Nation is an in-school enterprise learning program. It supports young people to generate new ideas, models and approaches to solving community challenges, whilst building their skills and ability to navigate the future.

## Eligible Schools

This year the Innovation Nation program will be delivered to schools in the Western Melbourne region, this includes the following councils:

- Moonee Valley City Council
- Maribyrnong City Council
- Hobsons Bay City Council
- Brimbank City Council
- Melton City Council
- Wyndham City Council
