

Innovation Nation Sydney 2020

Innovation Nation is an in-school enterprise learning program. It supports young people to generate new ideas, models and approaches to solving community challenges, whilst building their skills and ability to navigate the future.

Eligible Schools

This year the Innovation Nation program will be delivered to schools in the Greater Western Sydney region, this includes the following councils:

- Blacktown City Council
- Blue Mountains City Council
- Cumberland City Council
- Fairfield City Council
- Hawkesbury City Council
- Lithgow City Council
- Liverpool City Council
- City of Parramatta Council
